

RICO MANUFACTURING 'STUFFS THE BUS'

FOR IMMEDIATE RELEASE

(August 19, 2013 – Medina, Ohio) Rico Manufacturing has partnered with a local charity to raise awareness of an on-going need within the community.

This is the fourth year in a row that Rico sponsored the "Stuff the Bus" campaign, which is held annually through the Salvation Army. This organization provides local children with the supplies they need to ensure success in their studies. The impact this campaign has on young students is tremendous.

"No child should have to go without. Whether its food, clothes and toys, or in this case, school supplies. Donating a single item can make a difference and the generosity of our employees continues to exceed expectations each year." said Suzan Johnson, Charity Event Coordinator.

Rico collected 748 items including 96 boxes of crayons, 25 backpacks, 100 notebooks, 60 pocket folders and much more.
