

RICO SPONSORS VETERANS DAY ASSEMBLY AT LOCAL SCHOOL

FOR IMMEDIATE RELEASE

(November 12, 2014 – Medina, Ohio) RICO Manufacturing continues to sponsor a local Medina County middle schools' annual assembly. The event was held to honor and remember our Nations Veterans – past and present.

On Veterans Day, Claggett Middle School welcomed over three hundred people and local veterans to attend an assembly put on by all of its students and faculty members. The event opened up with the school choir singing the National Anthem. Following the anthem, dynamic poems were read, the band played a version of Taps and a series of speeches were given from Veterans of various branches. Rico Veterans also attended and were recognized with their fellow Vets.

Rico President, Steve Shuck, is a huge advocate of supporting and recognizing what all of these heroic individuals have done. "It's so important to never forget what our Veterans have done and continue to do for our country. We will indefinitely support and respect the men and women that have fought and are currently fighting for what we strongly believe in. It's so great to see the children in our community engaged in activities that will give them a better understanding of the importance of what our troops do and the sacrifices they make each and every day."

A reception was held at the conclusion of the assembly for the student's and Veterans that attended to enjoy.

Rico Manufacturing is proud to be fabricators of the world's finest specialty lift trucks. RICO has pioneered the design, development and manufacture of specialized lift trucks with capacities from 1,000 to exceeding 400,000 lbs.
