

RICO HIRES VICE PRESIDENT OF OPERATIONS

FOR IMMEDIATE RELEASE

(September 8th, 2015 – Medina, Ohio) Rico Equipment hires expert manufacturing and operations Vice President, David Llewellyn.

David joined RICO in 2015 and brings to the company over 15 years of manufacturing, supply chain, and operations management experience. David earned his bachelor's degree from the University of Alberta and started his career in the material handling industry in 1996.

Prior to joining RICO David worked as Director of Operations for Konecranes Inc. and Morris Material Handling where he managed and led manufacturing and supply chain operations in support of the North and South American sales and service businesses.

David is responsible for all engineering, supply chain and manufacturing operations, as well as coordinating best practices throughout RICO's business to ensure the highest level of customer satisfaction. "RICO's strong customer focus as well as a creative, innovative, and passionate team places RICO at the forefront of the material handling industry".

Rico Manufacturing is proud to be fabricators of the world's finest specialty lift trucks. RICO has pioneered the design, development and manufacture of specialized lift trucks with capacities ranging from 1,000 to more than 400,000 lbs. RICO's diverse customer base includes the industrial, military and commercial markets. For more information contact **Alexa Engist (330) 723-4050 ext. 200** or visit www.RicoEquipment.com
